

A Unique Opportunity

Our friend and business associate, Kay Beane, has come to Bethesda Bungalows with a unique opportunity. She owns a beautiful original bungalow (see photos below) on Greentree Road in Bethesda. The original lot was over 27,000 square feet, so Kay had the lot subdivided so that the home now sits on the line between the properties.

When Christian was here last month, we took him by the home, with the intent that he was going to design a pair of Just Right Sized homes for the two lots. His immediate reaction was that we should pick up and move the original bungalow over to the lot on the right, and renovate it. Then we would build a single new Just Right Sized home for the remaining lot, and put both homes on the market.

Regarding moving the existing home, Christian said, "It's a fairly simple process and it's just the right thing to do."

So there you have it, we are looking for a couple of people with the vision and foresight to take advantage of this special opportunity. Give us a call for more info.
